

Kosher Products

Kosher-certified products are produced, processed, and prepared according to dietary standards specified in the Bible and rabbinical law. Requirements involve the species of animal used, handling of meat and equipment, and mixing of ingredients.

Many Shaklee products are kosher certified as Star-K Kosher and Star-D Dairy by the National Council of Young Israel, in affiliation with Star-K Kosher Certification. You may obtain actual letters of certification by visiting the Star-K Certification website at Star-K.org, calling the Kosher Hotline at 1.410.484.4110, or writing to 122 Slade Ave., Suite 300, Baltimore, MD 21208. These same letters of certification also are available from Shaklee Corporation, Attn.: Field Support, 5650 Greenpointe Dr. N., Suite A, Groveport, OH 43125.
